Summary

- Motivated Mern developer with a Computer Science degree. Proficient in HTML5, CSS, JavaScript, and Reactjs and Nodejs. Developed many responsive web apps, skilled in Git and Github and committed to continuous learning.

Education

- **B.Tech. Computer Science CGPA: 7.5**
CMR Technical Campus
2021 - Currently
- **Diploma. Mechanical Engg. CGPA: 8.33**
Anurag College of Engg.
2018-2021
- **Secondary- 85%**
Rosary Convant High School, Hyderabad
2018

Skills

- **Programming Languages**
 - Javascript, Typescript
 - C++, Java
- **Framework's & Libraries**
 - HTML5, CSS3, Sass.
 - ReactJS, ExpressJS, Redux, NextJS, Tailwind-CSS
 - MongoDB, Mysql, Sequelize(ORM) PostgreSQL
- **Other's Tools**
 - Postman, Git, GitHub, RabbitMQ, Redis, Jest

Projects

- **Shopio**
 - "Developed 'Shopio,' a MERN-stack e-commerce app, creating a seamless shopping experience.
 - Built React frontend, secured user auth, integrated MongoDB for data efficiency, and enabled seamless payment processing.
 - Deployed on cloud platforms, applying best practices for scalability and performance. A testament to my expertise in full-stack development.
- **Twitter-Backend**
 - Developed a scalable Twitter-like backend using Express.js, Node.js, and MongoDB.
 - Crafted a RESTful API for seamless user authentication, tweet management, and interactions, ensuring frontend communication.
 - Integrated AWS S3 and Multer-S3 for media handling. Implemented Jest for robust backend testing, ensuring reliability in image and video uploads.
- **Flight-Search-Service**
 - Built a responsive airline Micro-Service with Express.js and Node.js for efficient flight search and creation.
 - Employed MySQL and Sequelize ORM for seamless data management, ensuring reliability and streamlined user experiences.
- **Auth-Service**
 - Built a responsive authentication Micro-Service with Express.js, Node.js. Secured user data using MySQL, Sequelize ORM for streamlined, reliable authentication processes, enhancing system security.

Hobbies & Interests

- Open-Source Contributions
- Interested in UI/UX Design
